Our Team Members

AN HONG BUI, MD, FACC

Dr. Bui earned his medical degree from the University of Virginia School of Medicine and served his internship and residency at Brigham and Women's Hospital. He served fellowships in cardiovascular medicine at Beth Israel Deaconess Medical Center and in cardiac electrophysiology at Harvard Thorndike Electrophysiology Institute at Beth Israel Deaconess Medical Center.

RICHARD KUK, MD

Dr. Kuk is board certified in internal medicine and cardiovascular disease. He earned his medical degree from the University of Pittsburgh School of Medicine, followed by an internship in internal medicine at Penn State University Milton S. Hershey Medical Center. He completed his residency in internal medicine at the Medical College of Virginia. He served fellowships in cardiac electrophysiology and cardiovascular disease at the University of Maryland Medical Center in Baltimore.

SAMUEL OMOTOYE, MD, FRCPC, FACC

Dr. Omotoye is a cardiologist and cardiac electrophysiologist. He is board certified in internal medicine, cardiovascular diseases and cardiac electrophysiology. He earned his bachelor of medicine and bachelor of surgery from the University of Lagos, Nigeria. He served his internship and residency at the University of Western Ontario followed by a fellowship in cardiology at the University of Toronto and a fellowship in clinical cardiac electrophysiology at Cleveland Clinic Foundation.

MATTHEW SACKETT, MD, FACC, FHRS

Dr. Sackett is board certified in cardiovascular disease and cardiac electrophysiology. He earned his medical degree from the University of Virginia School of Medicine and performed his internship and residency at Emory University. His cardiology fellowship was carried out at Wake Forest University followed by an additional fellowship in cardiac electrophysiology. He serves as director of electrophysiology and pacing at Centra Medical Group Stroobants Cardiovascular Center as well as director of cardiac pavilion at Centra Lynchburg General Hospital.

C. MICHAEL VALENTINE, MD, FACC

Dr. Valentine is board certified in cardiovascular disease and interventional cardiology. He graduated from the University of Virginia School of Medicine. He served his internship, residency and cardiology fellowship at Emory University. Dr. Valentine has special training and interest in pacing, electrophysiology and interventional cardiology. He has special NASPE certification in cardiac pacing.

CENTRA MEDICAL GROUP STROOBANTS CARDIOVASCULAR CENTER, nationally recognized as being one of the best heart centers in the nation, offers board-certified cardiovascular specialists in:

- Lynchburg
- Danville
- Farmville
- Bedford
- Moneta
- Gretna

THE ATRIAL FIBRILLATION CLINIC at Stroobants Cardiovascular Center is dedicated to the diagnosis and treatment of Afib. It is one of the most comprehensive Afib programs in the United States and is the only group in Virginia with full atrial fibrillation certification status from the Society of Cardiovascular Patient Care.

Our team of nationally known electrophysiologists, skilled technicians, nurse practitioners and nurses collaborate closely to provide advanced treatment for patients with Afib using the latest technology to minimize or eliminate radiation while providing the best possible clinical results.

Our providers are dedicated to providing education programs to advance the understanding of atrial fibrillation. This experience and knowledge, combined with a caring staff, provides you with quality patient care you deserve.
